SERIOUS fun

**JANUARY 13 -
FEBRUARY 27, 2016**

ABOUT THE ARTIST

Emily Carr Institute of Art and Design
Alumnus and Board member Judson Beaumont is
known for his engaging, whimsical and often surreal
approach to furniture, design and public installations.

His intrinsic passion and respect for good design,
materials, and exceptional craftsmanship has brought
him a worldwide reputation. He takes the 'Fun' in his
pieces very 'Seriously'.

The Smith's Process Gallery will be converted into an
extension of Beaumont's studio with this in-depth
view into his design process through photographs,
sculptural maquettes, preparatory sketches and
recently completed furniture.
